- (3) Japanese Laid-Open Patent Publication No. HEI 10-216138; and  
(4) U.S. Patent No. 5,891,150.

The relevance of these documents, as ascertained by the International Examiner, is set forth in the International Preliminary Report on Patentability. The Examiner is respectfully requested to consider the same.

Applicant notes that all of the above-noted documents were previously cited in the Information Disclosure Statement that was filed on January 10, 2006, and thus, copies of these documents are not provided herewith; however, if any copies are needed, the Examiner is requested to contact the undersigned. Also, Applicant notes that no fee or certification is required to ensure consideration of these materials, as they were already submitted, as well as because no action on the merits has been issued in the present application.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.
